COPY NO. 8

TOP SECRET
IAC-D-10/1
11 January 1951
(Corrected)

D-10/1

SUMMARY OF THE
SEMI-ANNUAL ESTIMATE OF THE
STATUS OF THE SOVIET ATOMIC ENERGY PROGRAM

1. Reference IAC-D-10, dated 28 December 1950.
2. The dissemination of the semi-annual estimate of the "Status of the Soviet Atomic Energy Program", CIA/SI 100-51, dated 5 January 1951, has been greatly limited by the Director of Central Intelligence. To permit a somewhat wider distribution, the summary of the original estimate has been extracted and slightly modified to remove the "Restricted Data" contained therein. The modifications occur only in the second paragraph of the Conclusions and the footnotes. This paragraph as now written conforms to its classification as Top Secret.
3. This summary is attached hereto for your approval as a member of the Intelligence Advisory Committee. It is requested that this approval be expedited and that comments, if any, be classified "Not Restricted Data".
4. It is not proposed to discuss this summary at an IAC meeting.
5. After approval, appropriate dissemination of this summary will be made.

JAMES Q. HESER
Acting Secretary
Intelligence Advisory Committee
